Order Confirmation from Adafruit Industries

Thanks for shopping with us today!

=====

Are you an educator using Adafruit products in the classroom? Adafruit offers discounts, custom packs, educator forums, and in-depth guides to help you and your students on your science, engineering and electronics journey. Please visit the "Educators" section on our website for more information:

<http://www.adafruit.com/educators/>

Students, please forward this to your teacher or school's purchasing department and they will be able to apply for discounts on your behalf! We are able to provide discounts for educational institutions making purchases with us - students must go through their educational institution to receive a discount on purchases.
